Cervical Screening Awareness

Cervical screening is one of the most effective ways to prevent cervical cancer (up to 75% if attended regularly). Yet many individuals miss their appointments due to fear, misinformation or lack of awareness.

Cervical Screening Awareness week is a nationwide campaign focused on highlighting the important of regular cervical screening.

Loneliness Awareness

9th June – 15th June 2025 is loneliness awareness week. This year's theme, MeetingLonelinessTogether, encourages everyone to speak about loneliness to reduce the stigma around this natural human emotion.

Please be advised, GP appointments are for one medical issue only. If you need to discuss more than one issue please let our reception team know who will be able to allocate you enough time.

SANDs Awareness

Every year, thousands of families in the UK experience the heartbreak of losing a baby. Despite its frequency, stillbirth and neonatal death can remain deeply isolating due to stigma and lack of understanding.

SANDs is the UK's leading pregnancy and baby loss charity.
